Chargeable extras for funded places at Southover Nursery School

At Southover Nursery we accept all funding and allow the funding to be used as set out in the table below. Charges are in place for additional hours accessed outside of our funding blocks. The majority of our parents choose to access our whole morning or whole day sessions however you are able to opt out of doing this, collecting your child at the end of the funded session instead – please make us aware if this is something you would prefer to do.
